

# UI-DIAGRAM

## 1. Login

The diagram illustrates a login window with a standard operating system window frame. The title bar is labeled "Window" and includes minimize, maximize, and close buttons. Below the title bar, there are two buttons: "About" and "Contact us". The main content area contains a centered box with the title "LOGIN". Inside this box, there are two input fields: "Email-id" and "Password", each followed by a text input box. Below these fields is a "Login" button.

## 2. Patient Registration

A screenshot of a web application window titled "Patient Registration". The window has a standard OS-style title bar with minimize, maximize, and close buttons. Below the title bar, there are two tabs: "About" and "Contact us". The main content area contains a form with the following fields:

- Patient Name: A text input field.
- Gender: Radio buttons for "Male" (selected) and "Female".
- Age: A text input field.
- Blood Group: A text input field.
- Patient Address: A text input field.
- Phone: A text input field.
- Email-id: A text input field.
- Password: A text input field.
- Confirm Password: A text input field.

At the bottom of the form is a "Submit" button.
